Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Beyond O Dark 30 is the author s take on what is happening to this country. This promised land has fallen apart due to our loss of foreign policy and the degrading of our military. Our allies are laughing as our leader is both weak and a failure. Our national debt has increased more than ever and for what? Polls now show that a majority of people think Romney would have made the better president. We are vulnerable to another terrorist attack, Syria has already launched chemical weapons, and no one understands Obamacare. Why does Benghazi go unnoticed in the White House? The many scandals of the IRS and the National Security Agency affect every American. Do you believe the President was really born in America? Edward M.
