It's Particular is a story about the unintentional, yet blissful, chaos that comes with getting what you want in life. A Texan graduate student finally has a chance to fulfill one of his dreams after he signs up for summer school in Strasbourg, France. All his desires for a European adventure are about to be fulfilled, but it is the unknown that will turn his fantasy into a way of life. Self-culture shock and language barriers, angry kebab shop owners, and sultry cougars are just a few of the encounters which show him that he has just as much to learn about himself and his country as he has for others. It is an adventure which crosses waters with planes, lands with trains, but ultimately arrives at greatest quest of all: The one within himself.
