When a rich grandfather figure, strangely appears in the dark street, to rescue the young boy Jayden from homelessness, a life better than his dreams has come true. He is taken to a five star hotel - no, actually a school called The Sanctum, camouflaged in the mountains. The students build and operate high tech equipment, including surrogate robots all to fight against terrorism. Or are they? By the way, you don t want to annoy Scarlet who runs the general operations of the building. She is one cheeky AI and plays nasty if you cross her.
