Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The ultimate espionage genre OGL toolkit This essential modern OGL aid presents hundreds of new options for players and contains a unique new system taking the game in brand new directions. With the Espionage Genre Toolkit sourcebook, players have the ability to design an all-new espionage genres to their liking - tailor made for their players and their specific needs! Coupled with a new set of gaming mechanics - that an entire group of players uses individually or in tandem to much greater effect - this invaluable rules volume is a must-have for all modern-day OGL fans and players! This sourcebook covers the following genres: Cold War Games A conflict so deadly that it could never be fought openly, a Cold War is the perfect environment for a campaign. Spies, technological innovation, arms races, veiled hostility and proxy warfare dominate the stage as the Great Powers struggle for dominance - and the players must keep their wits about them to survive. In this sourcebook, an enterprising GM will find suggestions, mechanics, and tools to help them create their own cold war, whether that be based upon the real-world event, or a conflict of their own design. Funkadelic Streets Strange things happen in the flickering neon lights of the urban jungle. Deals are made on handshakes, then broken with hand grenades. Mob runners patrol the streets in a grim parody of law and order, and the police struggle to impose rules - often succumbing to the unofficial rules of the street in the process. These are the Funkadelic Streets, a fertile ground for action detective stories and over the top criminal campaigns. Corporate Raiders In a world where just...
