He scavenged amongst the trees and protected himself from wolves, before falling into the hands of a Latvian police battalion. The soldiers adopted him as their mascot and Alex accompanied the unit everywhere as it changed its identity and duties to those of an SS unit on the rampage. He even appeared in Nazi propaganda films and newspaper articles, riding into Riga in a military parade.yet he was Jewish. At the age of five, was Alex Kurzem a collaborator or just a lost little boy? Caught up in a world of war-crime hunters, former war criminals and security agents with unclear agendas, he has since been threatened by many who believe he has betrayed them.
