Createspace, United States, 2014. Paperback. Book Condition: New. Calum Jones (illustrator). 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. On one side of the world a girl is born with half of a heart, at the very same time on the other side of the world a boy is born with half a soul. When one day they meet in the the middle of the world. The Half Hearted Girl is part graphic novel, modern fairy tale, romance, adventure, and storybook. This book is packed with tons of amazing illustrations. The Half Hearted Girl: Review by BookBlogger The Half Hearted Girl ( 2 words not hyphenated) is a black and white fully illustrated book. The story, writing style, and art are relevant to people of all ages, however I think the target audience is probably around 11-20 years of age. I wish it was easier for me to classify this book, but it simply stands alone. I want to be clear that this book is by no means some Obscure novelty book. With a page count of around 100 and with so many illustrations it is hard to classify by modern literary classifications. I think of it more like a modern fairy tale. This is a book you would have seen in books stores 70 years ago. It is similar to some of the works of Hans Christian Andersen. I call it a modern fairy tale because their is no physical antagonist in this story. The challenge our Protagonist has to face is that of an internal nature. The main theme of this story is about love and soul mates and how meeting another person can sometimes help us become a more complete person ourselves. The story follows the life of The Half...
