Reporting on an extraterrestrial sighting and their message for mankind, a renowned journalist clashes with those who oppose the story, unaware that the real battle is for his own soul. After the loss of a close friend, journalist Zach Miller spirals into depression, suffering from writers block for the first time in his career. Battling to regain his passion to write, he is approached by an esoteric group who promises him a story of historical magnitude, one that will forever change the way we look at life. Infused with a real sense of purpose, Zach remains steadfast to overcome any obstacles that keep him from sharing this newfound wisdom. But nothing he has learned can possibly prepare him for The Day. Thrust into the most cataclysmic...
