Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Love s Labor It is the purpose of this volume to present as concisely as possible the record of patriotic effort in Peoria and immediate territory. A mere outline is given of local patriotic endeavor, which to detail would require many such volumes. It tells briefly of deeds of noble women during the days of 60- 65, achievements of Peoria County boys on fields of glory for country s sake, and substantial recognition of such effort by the citizenship of this city and county. Especial reference is paid to the movement leading up to and the consummation of the building of the soldiers monument in the Peoria County court-house square, dedicated October 6, 1899. Attention is called to a presentation of a list of the volunteers for the war of the Rebellion from Peoria County and near vicinity. This is taken from the adjutant general s report. If inaccuracies as to names and dates occur, the report itself is at fault. If the volume serves to inspire to nobler thoughts, to awaken interest and keep alive the principles for which our sons have given their lives, kindle anew the altar-fires of patriotism and devotion, then this work will not be in vain: the compilers thereof will be satisfied.
