The Alchymist and The Silurist is a historical novel based on the sometimes tortured life of Thomas Vaughan, the 17th-century Welsh Anglican pastor, who became obsessed with alchemy, and his twin brother Henry, the mystical poet known as the Silurist, distant kinsmen of 83 year-old author James E. Vaughan. When Thomas Vaughan's church was taken down by Puritan rebels, he sailed to America to meet a Harvard scientist named George Starkey, nee George Stirke, who was said to be pursuing the same goal as Thomas. Upon landing at a port on the River of De La Warr, he was met by Andrew Boynton, a tall red-headed stranger who introduced him to a tribe of Lenni-Lenape Native Americans. He spent a year amongst the Lenni-Lenape, met and mated with a lovely Lenape maiden, and returned to England where he resumed his scientific experiments in the King's laboratory at Whitehall. Oxford University, the English Civil War and the Plague all play key roles in the telling of this story. The different character traits of the twin brothers...
