Reviews

I actually began looking over this pdf. it was actually written really perfectly and valuable. You will not really feel monotony at any moment of your respective time (that's what catalogs are for about if you check with me).

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Banks no longer accept cash and credit cards. The government has provided a state of the art mini chip that handles all of our economic needs and promises to keep our identity safe and passwords obsolete. The problem begins when the chips are no longer a matter of choice but are mandated. The black market provides for a price a new identity for those with questionable backgrounds. To some the chip represents freedom and to others it represents slavery.
