## COLD SECRETS: THE CHALLENGE (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Victor Panada, undercover operative for the San Diego police department, his cover jeopardized, retires and moves to Sloan, Kentucky. A career that spanned over twenty years, Vic was instrumental in the arrest and conviction of more than sixty corrupt law enforcement officers. It was suggested that he enter the witness protection program, but he refused to become a memory to his friends and family. He would make the best of it, and begin a new life in this small town nestled in the hills of Kentucky. In short time, Vic learns that the local constable, a shady, bullying man, with known criminals as friends, may have been responsible for more than one person gone missing, including the son of a man who contacts Vic for help. Vic comes to the realization that his career isn't over; there was one more badge that needed to be revoked. There was something less tangible which concerned Vic; the rumors of his aunt's house being haunted were becoming more apparent with each passing day, or perhaps this was a ruse of the constable to get Vic to leave town. While methodically gathering information from those who were willing to talk, Vic meets Angela and a whirlwind romance begins. COLD SECRETS, a story of law enforcement, love, and the paranormal.
