Paperback / softback. Book Condition: New. Not Signed; What Science Is Only Beginning to Discover, Healers, Mystics and Sages Have Known for Centuries The human aura. Science has verified its existence. Kirlian photography has captured the color, intensity and motion of its mysterious luminescence. Medical researchers at Yale University have determined that disease can be detected before it manifests in the physical body through the study of this life force that surrounds every man, woman and child. But science has yet to provide answers to many of the unsolved mysteries of the aura. Where this energy field originates. How it affects health and appearance. The real significance of its colors. How it influences behavior, success and relationships. Two Books in One .In Book One of The Human Aura, Kuthumi provides a framework for discovering a new dimension of self. He gives a threefold exercise to activate the energy, intelligence and creativity that are native to being. .In Book Two, Djwal Kul reveals the science of the seven major energy centers, or chakras, and their relationship to the expansion of the aura. Through his advanced program of meditations and mantras, you can develop the ability to control the circumstances that influence your life. Includes meditations, visualizations, affirmations. 25 COLOR ILLUSTRATIONS of auras and chakras, and an extensive glossary. book.
