Proctor will assist the reader in the core areas of understanding the principles of management accounting, mastering the numerical aspects of the subject, interpreting the results and understanding the contribution management accounting can make to the management process. Frequently praised for the quality and clarity of writing, this book combines appropriate depth of coverage with a manageable size and a clear and uncluttered layout. It takes an explicitly managerial and practitioner perspective throughout and features really strong application to the real business world. 567 pp. Englisch.
