Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It's shocking how little most of us know about the fundamental rules for workplace survival. Few people truly understand how to hang onto their jobs, how to effectively respond to threats to their jobs, or what to do if their main source of income is abruptly terminated. Considering how dependent almost all of us are on a steady source of income, coupled with how fragile jobs are in our current economy, it's shocking how little most of us know about the fundamental rules for workplace survival. I'm familiar with these knowledge gaps firsthand, because I've helped more than 18,000 panic-stricken clients deal with work-related issues. Supervisors who sexually harass employees. Managers who punish workers for having children. Managers who won't give a worker time off to care for a dying parent. Executives who irrationally dislike certain staffers, and try to harass them into quitting. Companies that try to force out employees because of gender, race, or age. Bosses who risk destroying a company, with their out-of-control drug use or gambling. BEAT THE BOSS are easy-to-read, entertaining short stories which take a minute or two to read, but also provide accurate solutions, pulling back the curtain as to what really happens in the workplace. Every story ends with a question for the reader to answer: Did Allison just quit-or was she fired? Should Lori have gone straight to HR to complain about the sexual harassment? Can Jim be fired for trying to...
