In his introduction, Anthony Thiselton, world authority on biblical hermeneutics, sets the context for a wideranging exploration of how to read Luke for God's address today. Traditional and more contemporary approaches are brought into dialogue with each other as several top Lukan scholars reflect on how best to read Luke as Scripture. Topics covered include the purpose of Luke- Acts, biblical theology and Luke, narrative and Luke, reception history and Luke, the parables in Luke, a missional reading of Luke, and theological interpretation of Luke.
