J.R.\Laidley. Paperback. Book Condition: New. Paperback. 158 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. As a person who believes anything can happen, I wrote this story even though I never really believed in love at first site. Then just like what happened in this book, I met someone so briefly that changed my belief. So I can say that this book is loosely based on a true story. Just like the main character it happened to me too. The only difference is that I am still trying to find her, my real love out there. So I can say that this book is to her. I hope one day, so I'll be as lucky as him and find you. This is a story of Rick Chambers, a wall street broker, who after years of living the fast money life of wall street finally reached burn out. He finally realized that he was depressed and wanted a change. Then a college friend calls him and asked him to come to London for New Years Eve. He hops on a plane and goes. While waiting for his plane back to New York, his dream girl, Victoria, happens to take a seat next to him. They talk for hours and immediately fall in love with each other but never exchanged any contact information. He tries to find her online but to no avail. While back in New York, an old high school friend, Kyle, calls him and asks him to come work with him in Los Angeles at his movie production company. Rick immediately packs his stuff and moves to LA. While in LA, Rick turns into a rolling stone. Sleeping with all the women he could. Then due to an unforeseen occasion, Rick meets Victoria again. Now he has a choice does he...
