

## Seven Pillars Volume One: Anti-Knowledge as the Cause of Human Suffering

By Anthony Shkreli

Seven Pillars House Publishing. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. A textbook for every home. All of human suffering, in its array of forms and degrees and intensity, whether past, present or in the future, is due to one thing--- Anti-Knowledge. Anti-Knowledge is the virus of the human mind contracted long ago in the Garden and, since then, disseminated and broadcast to all of humanity by every means and modality known to man. It surrounds and permeates every facet of our understanding. Seven Pillars Volume One demonstrates that all of mankind holds tenaciously to a set of beliefs called primal beliefs. These beliefs are held in common even between individuals and groups which disagree--- so that seemingly there is dissension when in fact there is agreement between opposing views. Seven Pillars demonstrates that a primal belief always has a manifestation in the world through thought and action. And since there is suffering in the world it may be that the primal beliefs held by mankind just might be unremittingly wrong. Seven Pillars shows, in seven fields of knowledge, specific situations in those fields, that affect mankind to his detriment and not his good. Each...
