Making money online is the goal of many people today, and there is a plethora of things that you can sell online. This is one that I did very well with, and so can YOU. Here are the opening paragraphs from this excellent book on making money online: If you are reading this book, then you are probably like millions of others who are looking for a good way to earn some extra money online. Right? Of course, I'm right. That's why you are here. I have been in exactly the same place as you. And have scoured the web looking for just the right thing, the right combination, to help support my family and our way of life. I started doing this before the financial downturn that we are suffering through right now. I was looking for extra money in the checkbook. And I found it in a number of places. But today, with things as they are, it is often a matter of making money to live on rather than just getting some extra money. And it is with that in mind that I am writing this book. So What Is This Way That I Can Make Money? The source of some good cash that I found was selling used books online through Amazon, the largest online retailer in the world. Amazon has over 200,000,000 credit card numbers on file, and they actually help you to sell your books. You list them online through Amazon, millions of people look at those listings every day, and untold numbers of books are sold daily, including yours! What Does It Cost To Get Started? Actually, it...
