

The Lost Villages: A Journey Through Time (Paperback)

By Norbert Paul

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In 1958, the Government of Canada, with joint co-operation with the United States government, flooded over a 30 mile stretch of land in Eastern Ontario along the St Lawrence River in order to create a newly formed body of water, Lake St. Lawrence. The flooding was necessary in order to allow large ocean going vessels access through the previously difficult to navigate waters from Cornwall to Morrisburg along the St. Lawrence River in through to inland cities such as Toronto, Detroit and Chicago. The massive project involved the displacement of over 6500+ people including 7 villages, 3 hamlets and numerous farms in a stretch of communities that had been established in the early development of Ontario's history. While swimming in the Lake St. Lawrence in the present day, a precocious 10 year old boy named Art discovers the foundation of an old home on the bottom of the lake. He notices a trap door set into the top of the foundation and forces it open. Strangely, he is able to see through the...
