### Reviews

*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).*

McWhiney Foundation Press. Paperback. Book Condition: new. BRAND NEW, Frontier Fun: A Children's Activity Book, April D. Stumpff, Cassandra Johnston, "Frontier Fun" is a charming new children's activity book with games, puzzles, and coloring pages for children of all ages. The playful illustrations capture kid's imaginations, and the activities will keep them enthralled for hours. Learning about Texas living and the people that made the frontier unique will help children utilize their creativity, expand their vocabulary, and exercise their brains - all while playing and having fun. Coloring pages and matching activities are age appropriate for children who have not begun reading. Fill in the blanks and word finds will challenge children of early elementary school age, while games like mazes, phrase decoding, and cross-word puzzles are suitable for older children. Many more games, puzzles, and activities are included in the book that are appropriate for all ages. The 96 page activity book is great to use at home or in the classroom. Parents will enjoy how involved their children become with the activities, and teachers will appreciate how learning about Texas History is incorporated into the book. If you are looking for a fun distraction for your children, a new way to learn information about a time long past, or simple activities for a rainy day, "Frontier Fun" is a great deal.
