

## How Music Helps in Music Therapy and Everyday Life (Paperback)

By Mr. Gary Ansdell

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 228 x 156 mm. Language: English . Brand New Book. Why is music so important to most of us? How does music help us both in our everyday lives, and in the more specialist context of music therapy? This book suggests a new way of approaching these topical questions, drawing from Ansdell's long experience as a music therapist, and from the latest thinking on music in everyday life. Vibrant and moving examples from music therapy situations are twinned with the stories of ordinary people who describe how music helps them within their everyday lives. Together this complementary material leads Ansdell to present a new interdisciplinary framework showing how musical experiences can help all of us build and negotiate identities, make intimate non-verbal relationships, belong together in community, and find moments of transcendence and meaning. How Music Helps is not just a book about music therapy. It has the more ambitious aim to promote (from a music therapist's perspective) a better understanding of music and change in our personal and social life. Ansdell's theoretical synthesis links the tradition of Nordoff-Robbins music therapy and its recent developments in...
