Anness Publishing. Novelty book. Book Condition: new. BRAND NEW, The Little Red Hen (Giant Size), Nicola Baxter, Daniel Howarth, This is a first reading book. It is a great big version of The Little Red Hen - perfect for use in show-and-tell! The large-format pages, simple repeated language and vibrant characters make this book ideal for helping with your child's first steps in reading. It introduces words such as hen (with her lazy friends cat, dog and duck), wheat, field, flour, windmill and more. It includes a simple picture dictionary. It's fun to start reading with this well-loved story. Young children may already know this traditional tale - about a farmyard hen whose hard work and patience pays off in the end. This edition can be used in several ways to allow early learners to gain confidence. Grownup helpers can start by reading out the illustrated words shown at the side of each left-hand page. Key words on the right-hand page have already been introduced on the left-hand page, so readers can have fun trying to spot the same words in the story itself. All the pictured words are recapped in a dictionary at the back of the book.
