Hi, this is Duan Minh, an astrologer with over 30 years of experience in Eastern wisdom, Chinese astrology, the Luni-Solar calendar and many other divination systems. By communicating with my subscribers I have found that most of them are victims of negative energy that surrounds everything these days. This is why you need a spiritual guide that will show you how to send the negativity away while protecting you and your loved ones. This is why I wrote this Survival Guide which will educate you about your astrological data (secret and non secret), it will show you how to create a powerful Protection Shield and it will help you advance spiritually and physically in this weird and ever-changing world. The Survival Guide will show you: - How to find your Chinese sign and the signs of any other person. - How to find your Universal Element and the element of any other person. - How to find your Secret Chinese signs and the signs of any other person. - How to calculate your Moon House and the house of any other person. - How to find your Magickal Numbers and the numbers of any other person. - How to utilize the data you have collected for maximum protection. - How to draw a powerful Protection Shield (spiritual invention) on a piece of paper.
