My Way II (cf a first book: My Way I: A Layman's Guide to Atoms, Physics, and the Human Experience, isbn 1577330684) explains more dramatically how what we call God is the creating force of energy within all particles. The author creates a unique blend of modern physics and spirituality that transcends all traditions and cultures. He believes this knowledge can lead people of all beliefs to reach the singular truth of our absolute interconnectedness with all elements in the universe, as well as each other. An easy and inspiring read!.
