

## The History of Language (Classic Reprint) (Paperback)

Filesize: 1.52 MB

### Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*  
*(Derick Brekke)*

## THE HISTORY OF LANGUAGE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The History of Language When asked by Mr. Dent to write an introduction to the principles of Comparative Philology for his series, I willingly consented, not only because I had the necessary materials ready to hand, but also because I felt there was still room for an addition to the already large literature of the subject; a subject which, however, admits of being approached from so many different points of view that any competent treatment of it is sure to have some special merits of its own. The first part of this book deals with the definition of the science of language, its scope (p. 20) and methods, and the life of language generally. In this part I have aimed at clearness of statement and adequate illustration, and have tried to avoid truisms and superfluous generalizations on the one hand, and over-abstraction and linguistic mysticism on the other. In order to give greater definiteness and concreteness to the reader s impressions I have added a second part, consisting of a brief sketch of the structure of that family of languages to which English belongs - the Aryan or Indogermanic - together with a discussion of its affinities to other families of languages, which last will serve both to widen the reader s linguistic horizon and to prepare him to follow problems which cannot be ignored much longer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
